

Hello All,

It is that time again, and we could really use help at the Ulster County Fair. We have the BB Range and the Fish Tank, as well as selling the youth raffle tickets. Clubs can sell their own tickets Tuesday through Friday, and we have passes for admission. Passes do NOT cover rides, just admission.

Ulster County Fair Dates are Tuesday August 2nd through Sunday August 6th.

- Set up is Sunday, July 30th from 10-2
- Fair hours that need to be covered are Tuesday afternoon/evening, all day Wednesday (9:30-10)
- Thursday, Friday (until 11 pm) and Saturday, Sunday. We will break down/clean up Sunday around 3 or 4, and can use extra hands that afternoon.
- The range needs at least 2 people, and we need a minimum of 4 adults to run the tank, plus a sign in person, and someone to bait and hand out poles, bag and tag fish.
- This event is all about the kids, let's work together to make it as successful as years past. We had over 850 kids through the range last year, and over 750 through the fish tank, so help is really needed to cover the event.

Please call, text, or email me if you are able to volunteer. Walshjostina@aol.com, 845-399-5749.

I am also looking for loans of taxidermy for our building, and hands on items the kids can actually touch, like hides, antlers, skins bones etc.

Thank You!
